(bush) \*\*

Bleuets \*=  
Concombre  
Melons \*  
Citrouille  
Courge  
Courgette  
Tomate  
(buisson) \*\*

### Legend / Manuel

\* Plant seedlings rather than seeds  
< Plant cloves or tubers instead of seeds  
+ Requires trellis  
= Perennial  
~ Make trenches connecting the holes and plant seeds 1 - 2 per inch

\* Plantes plutôt que des graines  
< Planter les clous de girofle ou de tubercules au lieu de graines  
+ Nécessite des treillis  
= Vivace  
~ Faire des tranchées reliant les trous et planter les graines de 1 - 2 pouce de distance
